No. 4/2008

**Regarding Allocation of Government Lands
to the Government Sector and Public Utilities**

I would like to report that the locations , which are allocated in the approved schemes for mosques, hospitals, schools, parking , parks, and public outlets or any plot of land allocated in the schemes for public utilities and services , shall have a title deed issued in the name of the supervising entity of the activity such as the Municipality for parks and the Ministry of Awqaf and Religious Affairs for mosques, with noting down in the title deed that the land must not be utilized except for the allocated purpose.
